### **About THE 225 CLUB**

We are a brand-new fitness club with a wonderful location in the heart of Cobham. We offer a fully functioning fitness suite with new cardio equipment, machines, free weights, as well as Personal Training. We also run a class timetable and have two treatment rooms available to hire.

### **The Treatment Room:**

Our treatment room is located on the first floor and is newly refurbished. The room has wooden flooring, a window with black out blind, and close access to our private kitchen with hot water/cold water refreshments for your clients.

There is an exclusive waiting area outside the rooms with chairs and table for your clients to relax. The waiting room now has a brand-new toilet upstairs.
